① 4 5 8 × 3 2 6

A 6x6 grid with a horizontal line at the bottom and a horizontal line at the third row from the top. The grid is composed of 6 columns and 6 rows. A horizontal line is drawn at the bottom of the grid, and another horizontal line is drawn at the third row from the top. The grid is divided into four sections by these lines: a 3x3 section at the top, a 3x3 section in the middle, and a 6x2 section at the bottom.

② 9 4 | × | 8 3

A 6x6 grid of squares. A horizontal line is drawn across the entire grid at the bottom edge of the second row from the bottom. A vertical line is drawn across the entire grid at the right edge of the third column from the left. These two lines intersect at the bottom-right corner of the third column, second row from the bottom square.

③ 693×402

A 6x6 grid with a thick black horizontal line between the third and fourth rows, and a thick black vertical line between the third and fourth columns.

④ 735×809

A 6x6 grid with a thick black horizontal line between the third and fourth rows, and a thick black vertical line between the third and fourth columns.

⑤ 274×517

⑥ 366×721

A 6x6 grid of squares. A horizontal line is drawn across the middle, separating the top three rows from the bottom three rows. A vertical line is drawn down the middle, separating the left three columns from the right three columns. This line divides the grid into four equal quadrants, each measuring 3 rows by 3 columns.
